Bignami presents the first six 3D targets of the new C.Point line. These 3D targets are made of a dense, long lasting semi-integral PU-foam.

These targets add to our large choice of 3D targets a very interesting new line.

**53D923 C.POINT 3D-TARGET DUCK**

Dimensions: H 48 cm; W 18 cm;

D 28 cm

Weight: 1,2 kg

Group: 4
