## THE STORY OF EXE

---

Immerse yourself in the vibrant world of Olympic archery with EXE, your ideal companion for an extraordinary shooting experience. At the heart of our brand lies a deep passion for the Olympic bow, evidenced by our constant commitment to providing high-quality equipment at affordable prices. Every archer, whether an enthusiastic beginner or a experienced professional, will find a reliable ally in EXE.

Our prestigious brand uniquely combines in-house innovation with world-class selections from global manufacturers, creating a perfect synergy between advanced technology and traditional craftsmanship. This approach allows us to offer products that not only meet, but exceed the expectations of quality and performance in the world of Olympic archery.

A prime example of this philosophy is our new Sideral sight: a true highlight in our catalog. This sight, the result of cutting-edge research and meticulous attention to detail, represents the perfect balance between superior quality and affordable price. The Sideral sight is designed to offer unmatched accuracy and reliability, ensuring that every arrow shot is a step towards excellence.

Discover the excellence of EXE: a world where high quality meets accessibility, where every archer can find the perfect equipment to best express their talent. With EXE, Olympic archery becomes a unique experience, enriched by products that embody the passion for this fascinating sport. Join us in our mission to take the Olympic bow to new heights of performance and style.

# BLIZZARD

The **BLIZZARD** riser is by now a reference point in our product range, recognized and appreciated by a large number of archers around the world. This model has distinguished itself over time in both the Olympic and barebow disciplines, proving to be a reliable ally for both new archers and professionals. Thanks to its robustness and ability to adapt perfectly to different shooting styles, the Blizzard has earned a reputation for versatility and reliability. Its design aims to offer a smooth and precise shooting experience while the bright colors and high-quality finishes enhance the aesthetic appearance of the riser, also reflecting the personality and preferences of those who use it.

PRICE	<b>299€</b>

EXE SIDERAL limbs are distinguished by an exclusive design that enhances the smoothness of the draw, ensuring superior performance. These limbs combine aesthetics and reliability in a product offered at an unbeatable price. They are the ideal choice for archers looking for quality, functionality and beauty without compromising their budget. Ideal for both experienced and new shooters, Sideral limbs improve the shooting experience thanks to their extraordinary precision and reliability, making every shooting session a rewarding experience.

Sideral limbs are supplied complete with protective cases.

## COSMIC SHADOW

Code	<b>55I258</b>
Short	24# -> 40#
Medium	24# -> 42#
Long	24# -> 40#
PRICE	<b>289€</b>

High-end foam and carbon limbs, suitable for those looking for optimal performance. Guarantees excellent speed and stability. Matte finish with very discrete monochrome graphics, suitable for all shooting environments.

# WAVE

Code	<b>55P478</b>
Short	24# -> 40#
Medium	24# -> 42#
Long	24# -> 40#
PRICE	<b>199€</b>

EXE WAVE limbs represent excellence in the world of archery, combining high-quality materials with advanced technology. Made with 3K exposed carbon fibers, these limbs not only offer high-level performance but also please the eye with their modern and attractive look. Designed to improve the accuracy of each shot, Wave limbs are ideal for both experienced and new archers, ensuring a superior shooting experience. With a perfect balance between aesthetics and functionality, Wave limbs are the ideal choice for those looking to get the most from their equipment at a competitive price.

# WIZARD

Code	<b>55E133</b>
Short	24# -> 40#
Medium	24# -> 42#
Long	24# -> 40#
PRICE	<b>149€</b>

Excellent limb with a foam and carbon structure. Fast, performing and reliable. This limb has been revised both in structure and graphics and is now truly unbeatable in terms of value for money.

## DIME<sup>X</sup> CARBON

Code	<b>55P711</b>
Short	20# -> 36#
Medium	20# -> 36#
Long	20# -> 36#
PRICE	<b>129€</b>

The DIME CARBON limbs represent the perfect compromise between production quality, attractive design and competitive price. If you are approaching the world of competitive shooting and want to make the right choice, the Dime Carbon limb is certainly the ideal one. Offered with an exposed 3K carbon finish.

## DIME

Code	<b>55I520</b>
Short	16# -> 36#
Medium	14# -> 40#
Long	16# -> 36#
PRICE	<b>99,90€</b>

The EXE DIME is a limb made of glass fibre and double-laminated wood, with attention to detail and an attractive graphic. It also offers good stability and shot repeatability characteristics. Recommended for archers that are approaching competitions.

# SPEEDER

Code	<b>551193</b>
Short	16# -> 32#
Medium	16# -> 32#
Long	18# -> 32#
PRICE	<b>84,90€</b>

The EXE SPEEDER II limbs are made of wood and glass fiber. They are robust, reliable and good value for money. The ideal choice for those who have just started shooting but are looking for a safe and reliable product.
